**IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA  
IN AND FOR THE COUNTY OF NEVADA**

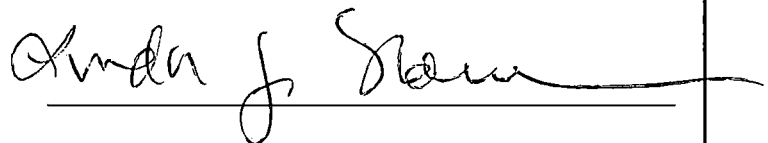

**EXECUTIVE ORDER NO. 200**

Due to the recent significant increase in Covid-19 cases in the Wayne Brown Correctional Facility and the associated need to quarantine a large number of inmates, and in an effort at protecting the health and safety of persons inside and outside of the jail,

**The Court hereby orders:**

All court appearances by incarcerated defendants shall begin with a remote appearance by Zoom. At the beginning of each remote appearance, the Court will ask the defendant if they consent to the remote appearance. If a defendant objects to a remote appearance, the Court will determine whether said defendant should be transported to the courthouse that day, for an in-person appearance, or whether the matter should be continued.
